FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/25/014847/B

I write in connection with your request for information dated 29/05/2025, received by Greater Manchester Police (GMP) for the following information:

I am conducting research into suicides within the construction industry, and loss of one's tools is a widely reported issue related to depression.

Do you hold information on persons arrested for such thefts who were employed in the industry?

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that the information you have requested is held by GMP.

Greater Manchester Police (GMP) does not hold the information that you have requested in an easily retrievable format. To provide the data requested would involve a manual search of all arrests for theft offences to see if the theft related to tools and whether the arrested person was employed in the construction industry.

As no time range has been specified, all theft arrests on record would have to be manually reviewed to collate this information. Clearly, to comply with the whole of your request the process would take well over 18 hours' work which exceeds the appropriate limit of £450.00, the amount to which we are legally required to respond.

As per section 12(1) of the Freedom of Information Act 2000, the cost of providing you with the information is therefore above the amount to which we are legally required to respond i.e. the

cost of locating and retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004.

In accordance with the Freedom of Information Act 2000, this letter acts as a Refusal Notice.

GMP is obligated, pursuant to section 16(1) of the Act to provide you with advice and assistance on refining your request to bring compliance within the fees limit. In order for the force to keep this within the fees limit, the information that you are requesting will need to be reduced to a greatly reduced time period. The resulting response cannot be guaranteed at this point as it will be dependent upon the number of records that fall within the scope of any new request, as they would still have to be manually assessed.

Should you wish to refine and resubmit your request in line with the advice above please respond to freedomofinformation@gmp.police.uk
