FREEDOM OF INFORMATION REQUEST REFERENCE NO: FOI/25/014886/I

I write in connection with your request for information dated 04/06/2025, received by Greater Manchester Police (GMP) for the following information:

I submitted a request for information on 4th June with the same subject line as this email which contained a wording error. The initial request asked for bike data twice and missed e-scooters.

I have now amended the request below.

Please cancel my previous request and treat this as the correct one.

Could you please provide me with

- The number of collisions involving electric powered pedal bicycles (popularly known as e-bikes) for each calendar year from 2018 up to and including 2024. Also the number of casualties and fatalities that happened as a result of those collisions***
 - The number of collisions and casualties involving electric powered scooters (known as e-scooters) for each calendar year from 2018 up to and including 2024. Also the number of casualties and fatalities that happened as a result of those collisions***
- Please accept my apologies for any inconvenience caused.***

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Please note:

- 2024 data provisional Jan – Sep only.

- Very Serious, Moderately Serious and Less Serious breakdown only recorded from 2024.
