FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/25/014513/I

I write in connection with your request for information dated 01/04/2025, received by Greater Manchester Police (GMP) for the following information:

Under the FOI Act 2000, I request the following information:

A dataset disclosing the cancelled crimes in the first 3 months of 2025. If it was possible could it disclose the classification of each crime and area.

If both area and classification aren't possible then classification would be preferable.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that the information you have requested is held by GMP.

CAVEATS

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

This data contains cancelled crimes with a created date between 1st January 2025 and 31st March 2025, excluding non-crime incidents and non-counting fraud crimes (further information about non-crime incidents and non-counting fraud crimes can be obtained from the [Home Office counting rules](#)).
