**FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/25/014631/N**

I write in connection with your request for information dated 18/04/2025, received by Greater Manchester Police (GMP) for the following information:

***Now that the supreme court has ruled what a woman is, will GMP now charge people, and remand if appropriate, as their biological sex?***

**Result of Searches**

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

GMP's process remains unchanged at this time.

Detainees will continue to be treated on the basis of the gender identified by the detainee while in police custody.

Those detainees being charged and remanded into police custody will be and transported to the court based on their biological sex.

This is exactly the same process prior to the ruling.
