FREEDOM OF INFORMATION REQUEST REFERENCE NO: FOI/25/014804/Q

I write in connection with your request for information dated 21/05/2025, received by Greater Manchester Police (GMP) for the following information:

I would like to request the number of reports received for antisocial behaviour in each area ward of Oldham in the calendar years 2023, 2024 and what has been of 2025. Please can this include a total for each year as well as the individual months.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Caveats:

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

- This data contains ASB incidents with a created date between 1st January 2023 and 30th April 2025, excluding incidents with a closing code of L10 Duplicate, L19 Error or L22 Test or training.
- We are aware of system issues affecting locations for incidents (see below for details). These issues mean that data for a specific location may include incidents that did not happen in that location and/or exclude incidents that did.
 - Some incidents do not have an address because e.g. the address has been recorded in a non-standard format or as map coordinates.

Please see the below tables for the response data.
