Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

However, GMP does not hold the information that you have requested in an easily retrievable format.

GMP would not be able to respond to this request without carrying out a manual review from all the received FOI's from the revised timescale above. This is due to the way our systems record this information and there is also no marker to filter the criteria required. From 1st January 2025 – 1st March 2025, GMP received 442 FOI requests and at a conservative estimate of 5 minutes per each review, this would take 36hrs to provide a response on how many GMP referred.

Therefore, as per **Section 12(1)** of the Freedom of Information Act 2000, the cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of locating and retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004.

In accordance with the Freedom of Information Act 2000, this letter acts as a Refusal Notice.

GMP is obligated, pursuant to section 16(1) of the Act to provide you with advice and assistance on refining your request to bring compliance within the fees limit. In order for the force to attempt to keep this within the fees limit, the information you are requesting will need revising with a reduced time frame. Additionally you may wish to refer this FOI to the NPCC directly npcc.foi.request@npfdu.police.uk.
