FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/25/015598/H

I write in connection with your request for information dated 03/10/2025, received by Greater Manchester Police (GMP) for the following information:

The number of individuals aged 18–24 arrested by your force between 1 January 2020 and the most recent available data in 2025 who were recorded as living in young persons' supported accommodation (e.g. YMCA, Depaul, Foyer, or similar schemes for homeless young people).

If available, a breakdown by year.

I only require anonymised, aggregated data (no personal details), as this is for a research project at university.

If this information is not recorded, please confirm this.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that the information you have requested is not held by GMP. Upon arrest, an address will be taken (or 'No Fixed Abode' where applicable), but it's a free text field. If the address happens to be young persons' supported accommodation, it's not something that would generate a flag or something similar that would create a searchable parameter.
