FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/25/015693/F

I write in connection with your request for information dated 17/11/2025, received by Greater Manchester Police (GMP) for the following information:

You kindly last provided us with data for 2023. We are updating our records. We would like to know about antisemitic crimes and non-criminal antisemitic incidents recorded by your you with numbers of crimes and incidents individually broken down for each month of 2024 and each month in 2025 up to and including 30 June 2025.

We will use the data to publish a crime audit to provide a valuable insight into the prevalence of antisemitic crimes and non-criminal antisemitic incidents in the United Kingdom since 2016.

If any of the information that we have requested is already in the public domain, please direct us to it with website links, as appropriate.

Request

Our request is as follows:

Question 1a

If you flag antisemitic crimes separately, please provide us with:

The total number of antisemitic crimes recorded in each month of 2024 and each month in 2025 up to and including 30 June 2025; The total number of antisemitic violent crimes recorded, in each month of 2024 and each month in 2025 up to and including 30 June 2025, which fell into the Home Office categories of "homicide", "violence with injury" and "racially or religiously aggravated assault without injury"; The total number of antisemitic crimes, in each month of 2024 and each month in 2025 up to and including 30 June 2025, that resulted in charges being brought; and The total number of antisemitic non-criminal incidents recorded in each month of 2024 and each month in 2025 up to and including 30 June 2025.

Question 1b

If you do not flag antisemitic crimes separately, please search for crimes and non-criminal incidents in your CRIS using the following whole keywords (i.e. not parts of words, but whole words, so that when you search for "Jew", entries containing "jewellery" are not returned). Since use of all the keywords might prevent you from answering this FOI request due to excessive cost, please only use the keywords (starting at the top) that can be used without incurring excessive cost.

The keywords are:

Jew/Jews/Jewish/Judaism

Semite/Semitic/Semitism

Antisemite/Antisemitic/Antisemitism

Yid/Yids/Yiddo/Yiddish

When responding to Q1 or Q1a, please use the following table format, with the following headings:

Month

Number of antisemitic crimes recorded

Number of antisemitic crimes involving allegations of violence Number of antisemitic crimes resulting in charges being brought Number of antisemitic incidents reported *For the purpose of this request, antisemitic crimes involving allegations of violence are those antisemitic crimes which fell into the Home Office categories of "homicide", "violence with injury" and "racially or religiously aggravated assault without injury".*

Question 2

2.1 The amount of money you spent on policing pro-Palestinian protests in the financial year 6 April 2023 to 5 April 2024; and

2.2 The amount of money you spent on policing pro-Palestinian protests in the financial year 6 April 2024 to 5 April 2025.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that the information you have requested is held by GMP.

CAVEATS

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

This data contains hate crimes and non-crime hate incidents with a created date between 01/01/2024 and 30/06/2025 where the perceived religion targeted was Jewish, excluding cancelled crimes and crimes classified as fraud. Further information about cancelled crimes can be obtained from the Home Office Counting Rules. Details regarding fraud crime can be obtained by contacting the NFIB.

It also contains data where the crime was either 'violence with injury' in crime tree level four, or 'racially or religiously aggravated assault without injury' at offence level, or 'homicide' at offence level for the same time period.

Data related to charges contains data where the HO outcome code is equal to '1' or '1A', and the perceived religion targeted was Jewish.

Analysis has suggested that GMP recorded hate crimes may be higher than the numbers reported. This appears to be owing to inconsistency in the use of hate crime flags and qualifiers on the recording system. As such we would advise caution in interpreting the level of hate crime reported. We are reassured that all crimes are being recorded, but some may not be flagged as hate which may affect counts and any analysis conducted on this data.

Due to low numbers being returned for some months, some of the totals have been replaced with X, as by providing exact figures as you have requested would significantly increase the likelihood of identifying the individuals concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By replacing this data in this way, it can be provided in its entirety.
