Our ref: 01/FOI/25/015782/F

FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/25/015782/F

I write in connection with your request for information dated 04/11/2025, received by Greater Manchester Police (GMP) for the following information:

As part of our Ofsted regulations, we are required to update our location risk assessments each month.

Could I please request a report with the crime statistics for the Rusholme area from the 1st of October 2025 till the 31st of October 2025

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Caveats:

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

- This data contains crimes with a community name of Rusholme with a created date between 1st October 2025 and 31st October 2025, excluding cancelled crimes. Further information about cancelled crimes can be obtained from the Home Office Counting Rules.
- We are aware of various system issues affecting committed at locations for new and migrated crimes (see below for details). These issues mean that data for a specific location may include crimes that did not happen in that location and/or exclude crimes that did.
- Some crimes do not have a beat code, which means that they cannot be mapped to other geographies e.g. districts.
- Some crimes have an incorrect beat code, which means that they are mapped to the wrong geographies.

- Some crimes do not have an address because e.g. the address has been recorded in a non-standard format or as map coordinates.

Due to some low results, some data has been replaced with X, as by providing all this information split by individual offence for a specific area would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By replacing the data this way, it can be provided in its entirety.

Crime Latest Classification : Crime Tree Level Four	Crime Count
All other theft offences	15
Bicycle theft	5
Business and community burglary	X
Criminal damage and arson offences	6
