Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Caveats.

- The outcomes provided are the crime outcomes only.
- The data was extracted using the sexual assault allegation code but then manually reviewed to remove anything that did not match the crimes codes provided. GMP's PSD do not record using Home Office codes.
- Due to some low results, the outcomes have been provided as separate totals as by providing all this information split by individual/outcome as you have requested would significantly

increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By replacing the data this way, it can be provided in its entirety.
