FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/25/015486/A

I write in connection with your request for information dated 12/09/2025, received by Greater Manchester Police (GMP) for the following information:

I am concerned that [REDACTED] entered lies into my detention log. Namely, claiming falsely that I had been detained previously and "markers" on my record showed I had supposedly threatened to hang myself with my bra. She falsely implied that I had accused officers of raping me and then assigned a female "welfare officer" clearly hoping the officer would remove my bra from me.

*Therefore I want to know exactly how many female detainees at Bury custody suite had their clothing removed from them for "welfare reasons" in the first two weeks of April 2022?
Lack of information - any attempts to argue that my request would be "too expensive" will be shared publicly on Zayna Iman's channels as proof that this is a serious problem at Bury Station.*

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that the information you have requested is not held by GMP. GMP did not collect this data in 2022, we only started to collect this specific type of data from September 2024.
