I write in connection with your request for information dated 24/03/2026, received by Greater Manchester Police (GMP) for the following information:

***Under the terms of the Freedom of Information Act, I would like to request the actual attendance figures - the numbers of people present - at the home matches of Manchester City F.C. this season (2025-26).***

**Result of Searches**

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information. I can confirm the information requested is not held by GMP.

GMP do not record figures around 'actual attendance'. The only figures recorded by GMP are the total advertised by the respective football club. These figures are publicly available through an internet search.
