**FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/26/016629/W**

I write in connection with your request for information dated 26/03/2026, received by Greater Manchester Police (GMP) for the following information:

***I would like to know the number of, incidents of antisocial behaviour .and drunkenness complaint in the Wilmslow road area of Wthington.***

***Please can I have this data for the calendar years, 2023, 2024, 2025, and what has been of 2026.***

**Result of Searches**

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Caveats:

**In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.**

This data contains incidents with 'Wilmslow road' somewhere within the location fields, with a created date between 01/01/2023 and 26/03/2026 where the closing code is 'D08', 'D12', 'D13', 'D17', 'D50', 'D52', 'D70', 'D71', 'D80', 'D90', 'D91', 'D92', 'D93' or 'D95', excluding incidents with a closing code of L10 Duplicate, L19 Error or L22 Test or training.

We are aware of system issues affecting **locations for incidents** (see below for details). These issues mean that data for a specific location may include incidents that did not happen in that location and/or exclude incidents that did.

- Some incidents do not have an address because e.g. the address has been recorded in a non-standard format or as map coordinates.
- There can be more than one closing code attached to an incident.

- The appearance of the 'Wilmslow road' included somewhere in the incident location fields does not necessarily mean the offence took place at this stated location. To fully understand the level of accuracy would involve a review manually off all returned results.
