FREEDOM OF INFORMATION REQUEST REFERENCE NO: FOI/26/017062/J

I write in connection with your request for information dated 12/06/2026, received by Greater Manchester Police (GMP) for the following information:

- 1. Could I have the reported crime statistics from June 1 2025 to May 31 2026 for each of the 35 designated neighbourhood areas across Greater Manchester broken down individually as well as the most reported type of crime for each individual area?***
- 2. Can I also have the reported crime statistics for each individual borough over the same time period as well as the top 5 most reported types of crime in each borough?***

If you are unable to currently provide a full calendar year between June 1 2025 to May 31 2026 depending on how quickly the data is logged in the system, can you provide the latest possible data over a full calendar year?

- 3. Can I also have the crime statistics for each individual borough from 2015 to present broken down as well as the top 10 most reported types of crime by year?***

Clarification

On the first question, I was asking for something along the lines of "Bolton North, Total crime recorded XXX the most reported crime Shoplifting" though it would be good in that example to have the number of shoplifting crimes too

On the second question, your assumption is correct. Hope that helps. If it looks likely the subsequent questions may push the request over the statutory limit, do let me know and I am happy to amend
