Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that the information you have requested is held by GMP.

For question 3, GMP only started tracking the number of court cases in January 2026. No information is held prior to this. Further information may be available from His Majesty's Courts and Tribunal Service (HMCTS).

For question 8, sentencing information is not held by GMP. Please contact HMCTS for this information.

The data provided below is from between 27/11/2024 and 30/06/2026.

Due to low numbers being returned for some breaches, some of the totals have been replaced with X, as by providing exact figures as you have requested would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By replacing this data in this way, it can be provided in its entirety.
