FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/26/016083/K

I write in connection with your request for information dated 02/01/2026, received by Greater Manchester Police (GMP) for the following information:

Under the Freedom of Information Act 2000, please provide the following information held by your police force.

1. Theft of parcels

For the most recent 12-month period for which data is available, please provide the total number of recorded crimes involving the theft of delivered parcels from:

- Residential doorsteps*
- Designated "safe places" (e.g. porches, sheds, bins, garages).*

Please include:

- A monthly breakdown*
- The crime classification or offence code used to record these incidents.*

Additional Information

If the term "porch piracy" is not used by your force, please interpret this request using the closest equivalent offence categories (for example, theft from outside a dwelling).

Please provide the information in CSV or Excel format, where possible.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that the information you have requested is held by GMP.

However, GMP does not hold the information that you have requested in an easily retrievable format. To provide the data requested would involve a manual search of all theft crimes to see if the item stolen was a parcel.

A search of our crime records shows that there are 77,000 theft crimes that would have to be reviewed. At a very conservative estimate of 5 minutes to locate, retrieve and review each file it would take approximately 6,416 hours to ascertain the data required.

Therefore, to comply with the whole of your request the process would take over 18 hours' work which exceeds the appropriate limit of £450.00, the amount to which we are legally required to respond.

As per section 12(1) of the Freedom of Information Act 2000, the cost of providing you with the information is therefore above the amount to which we are legally required to respond i.e. the cost of locating and retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004.

In accordance with the Freedom of Information Act 2000, this letter acts as a Refusal Notice.

GMP is obligated, pursuant to section 16(1) of the Act to provide you with advice and assistance on refining your request to bring compliance within the fees limit. In order for the force to keep this within the fees limit, the information that you are requesting will need to be reduced to a greatly reduced time period. The resulting response cannot be guaranteed at this point as it will be dependent upon the number of records that fall within the scope of any new request, as they would still have to be manually assessed.

Should you wish to refine and resubmit your request in line with the advice above please respond to freedomofinformation@gmp.police.uk
