FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/26/016215/E

I write in connection with your request for information dated 20/01/2026, received by Greater Manchester Police (GMP) for the following information:

Under the FOI Act, please provide me with the following information on police officers convicted of criminal offences since 2018.
1. List the police officers dismissed or who have resigned from your force following conviction of a crime
2. For each officer listed in your answer to Q1, itemise them to show if they were dismissed or resigned, gender, offence(s), year of conviction, and if their pension has been forfeited (if so, include % forfeited).

Result of Searches
Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

- The pension forfeiture is not a GMP decision, and this is decided by GMCA. Please direct this element of your request to them should you still require this data.
- Those that resigned are prior to proceedings but after a conviction.

Due to some low results, the offences recorded have been provided as a whole list from 2018-2025 without the total number for each as by providing all this information linked directly to each individual would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By replacing the data this way, it can be provided in its entirety
