How many people have been stopped for riding e-scooters and/or had them seized from 2024 - current

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that the information you have requested is held by GMP.

CAVEATS

The vehicle type 'e-scooter' is free typed into the vehicle stop system and in many cases could simply be completed with 'null' therefore it is likely to be an under representation of the true number of stops.

The data provided below is the number of stops and the number of seizures, not the number of individuals stopped. Some people may have been stopped or had a vehicle seized on more than one occasion.

E-scooters stopped: 48
E-scooters seized: 372
