Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that the information you have requested is held by GMP.

### **CAVEATS**

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK Policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

The above data refers to all Recorded Crimes in the specified time periods where the Crime Latest Classification is either 'Rape' or 'Other Sexual Offences' and the 'Crime Latest Outcome: GMP Outcome Description' as 'Charge (1A)' and 'Charged Alternative Offence (1C)'.

The above data is based on the date the crime was recorded, not the date the crime was committed.

'Unknown' refers to any crimes where Ethnicity/Nationality is down as 'Not Recorded', 'Unknown' or where there is no data contained in that field.

The data provided for this request is subject to change as crimes are progressed and/ or updated.

Due to low numbers being returned for some crimes, some of the totals have been replaced with X, as by providing exact figures as you have requested would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By replacing this data in this way, it can be provided in its entirety.
