CAVEATS

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK Policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

This data is based off the date the crime was recorded not the date the crime was committed.

GMP do not record the council ward on crime reports. The data is displayed by the 'Beat' the crime was recorded against as this is the closest alternative that we do record.

Duplicates have been removed where possible.

The data covers the period 1st June 2025 - 1st June 2026.

Due to low numbers being returned for some crimes, some of the totals have been replaced with X, as by providing exact figures as you have requested would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By replacing this data in this way, it can be provided in its entirety.
