FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/26/016140/C

I write in connection with your request for information dated 09/01/2026, received by Greater Manchester Police (GMP) for the following information:

Under the Freedom of Information Act 2000, please provide the following information for the period 1 January 2023 – 31 December 2024:

- 1. The number of occasions on which cyber or information security risks appeared on the agenda of your governing body (or equivalent oversight body).*
- 2. The name(s) of any committee(s) or board(s) with formal responsibility for cyber or information security oversight.*
- 3. Whether documented criteria exist for escalating significant cyber incidents to the governing body or senior leadership (yes/no; if yes, please provide or summarise).*
- 4. The number of governing body members (or equivalent) who completed cyber or information security training during this period, and the total number of members in that body.*
- 5. Whether an independent assessment of your cyber security arrangements (e.g. internal audit, external review, or third-party assessment) was reported to the governing body during this period (yes/no; if yes, please state the type of assessment).*

Please note: no technical details, vulnerabilities, or sensitive operational information are requested. If this information is readily available, broken down by year, please provide it; otherwise, an aggregate figure for the period is sufficient.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that some of the information you have requested is held by GMP.

1. Cyber and security risks were discussed at each meeting of the Information Assurance Board as a representative from Information Security was a standing member of the Board and was required to provide an update to the Senior Information Risk Owner at the meeting.
2. Information Assurance Board (IAB).
- 3.

4. The IAB has 7 members. Information relating to how many have completed cyber- or information-security training is not held by GMP.
5. There is no record held of this happening.
