CAVEATS

Due to low numbers being returned for some crimes, some of the totals have been replaced with X, as by providing exact figures as you have requested would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By replacing this data in this way, it can be provided in its entirety.

This information has been provided using a data script provided by FIS, the Centurion system supplier as part of a National FOI service, to answer the question raised in the request. The data results have not been manually checked.
