FREEDOM OF INFORMATION REQUEST REFERENCE NO: FOI/26/016947/H

I write in connection with your request for information dated 26/05/2026, received by Greater Manchester Police (GMP) for the following information:

I'm looking to find out how many female police officers are MOE trained with a view to requesting a change to how the course structure works. From the last diversity disclosure from us on 31st March 2025 there were published 3054 female police officers. I can't find any data for 2026. I would like to write a request for training but use relevant data that shows the current amount of female police officers in GMP and out of those how many are MOE trained.

Q1 – The current number of female police officers in GMP?

Q2 – Out of those, the number of female police officers MOE Trained?
