Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information. I can confirm the information requested is held by GMP.

Caveats:

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

1. The crime grand total is all the crimes recorded as DV related, for the date period of 1st January 2025 - 31st December 2025 as requested.
2. The data has then been broken down by the victim's age, ethnicity and gender for each district and forcewide.
3. Ethnicity is based on the victims self declared ethnicity at the time the crime was committed
4. Age is based on the age of the victim at the time the crime was committed, not when the crime was recorded
5. 'Unknown' or 'Not Provided' means that this field hasn't been populated on our operating systems

Please see the below table for the response data, noting the above caveats.
