FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/26/016246/L

I write in connection with your request for information dated 27/01/2026, received by Greater Manchester Police (GMP) for the following information:

Please provide the following information in relation to speed enforcement in GTR Manchester For June 2024 on the All motorways in GMP areas which are subject to variable speed limits, whether permanent or temporary.

Whether the speed enforcement device(s) in use at the relevant location(s) were type-approved at the material time.

- 1. The make and model of the speed enforcement device(s) deployed.***
 - 2. The calibration, testing, and maintenance regime applicable to those device(s), including the dates of the most recent calibration and any checks conducted in the six months before and after the relevant period.***
 - 3. Whether any enforcement device(s) or location(s) were subject to faults, suspensions, audits, reviews, enforcement pauses, or operational anomalies during the period June 2024.***
 - 4. Whether any enforcement actions arising from those device(s) or location(s) were cancelled, withdrawn, or retrospectively reviewed during that period.***
- I am content to receive the information electronically or by post, but your email simply bounces back repeated requests that I have made.***

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

1. Redflex HADECS3X.
2. These cameras are routinely calibrated every 12 months, GMP do not hold data on how this is done i.e. testing and maintenance regimes. The dates of calibration for motorway enforcement cameras used in June 2024 are below.

- 12/02/24, 02/05/24, 27/06/24, 07/05/24, 02/05/24, 02/05/24, 26/02/24, 26/02/24, 02/05/24, 02/05/24, 04/06/24.

3. Yes.

4. Yes.
