FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/26/016656/Z

I write in connection with your request for information dated 01/04/2026, received by Greater Manchester Police (GMP) for the following information:

Can you please provide the number of misconduct or disciplinary cases involving police officers, where the allegation or finding included failure to display identification or properly wear mandatory identification while on duty? This should include name badges, shoulder numbers, epaulettes, warrant cards and any other compulsory identification.

For each case, please provide the outcome and the year the case was recorded.

Please limit the scope of this request from 1st January 2021 to present.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that the information you have requested is held by GMP.

However, GMP does not hold the information that you have requested in an easily retrievable format. To provide the data requested would involve a manual search of all recorded misconduct cases, as failure to wear correct identification is not a misconduct category in its own right.

Therefore, to comply with the whole of your request the process would take over 18 hours' work which exceeds the appropriate limit of £450.00, the amount to which we are legally required to respond.

As per section 12(1) of the Freedom of Information Act 2000, the cost of providing you with the information is therefore above the amount to which we are legally required to respond i.e. the cost of locating and retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004. If one part of the request engages a Section 12 response, the whole request will engage a Section 12 response. The reason being is locating, retrieving and extracting any further information would only add to the already exceeded time obligations and so no other searches have been completed at this stage.

In accordance with the Freedom of Information Act 2000, this letter acts as a Refusal Notice.

GMP is obligated, pursuant to section 16(1) of the Act to provide you with advice and assistance on refining your request to bring compliance within the fees limit. In order for the force to keep this within the fees limit, the information that you are requesting will need to be reduced to a greatly reduced time period. The resulting response cannot be guaranteed at this point as it will be dependent upon the number of records that fall within the scope of any new request, as they would still have to be manually assessed.
