FREEDOM OF INFORMATION REQUEST REFERENCE NO: FOI/26/016661/W

I write in connection with your request for information dated 02/04/2026, received by Greater Manchester Police (GMP) for the following information:

We write on behalf of Navendu Mishra MP regarding concerns raised by Brinnington residents about the prevalence of domestic violence and abuse in Stockport.

During a Pride in Place drop-in session which took place in Brinnington earlier this month, residents highlighted that Stockport has high rates of reported domestic violence and abuse, with suggestions that the area may have the highest rates within Greater Manchester. Particular concerns about women of colour and women in Brinnington accessing support locally.

Navendu would be grateful if GMP could clarify:

- GMP's current domestic violence and abuse strategy.***
- Whether Stockport has a higher proportion of reports compared to other areas within Greater Manchester.***
- Any contextual insights you can provide regarding domestic violence and abuse trends in Stockport and Brinnington specifically..***

Navendu acknowledges that policing domestic violence and abuse is a key priority and wishes to thank officers for their dedication to protecting members of the public and keeping the community safe.

Thank you for your time and any information you are able to provide.
