FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/26/016869/K

I write in connection with your request for information dated 11/05/2026, received by Greater Manchester Police (GMP) for the following information:

I am writing to request information under the Freedom of Information Act 2000. Please disclose:

In your police force area, how many incidents of "Asian gold theft" have taken place in each of the calendar years, 2021, 2022, 2023, 2024 and 2025.

To clarify: "Asian gold theft" is the theft of gold from Asian families. Criminals are targeting Asian families knowing that many have gold, for cultural reasons. If you are unable to narrow the results down specifically to Asian families, I would also accept the number of thefts of gold from domestic properties.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

However, GMP does not hold the information that you have requested in an easily retrievable format.

For GMP to be able to provide a response to this request it will require a substantial manual review of all the recorded thefts for the time periods requested. Our systems do not have a searchable field to be able to easily determine what items have been stolen/taken and so a review would be the only way to extract this information. For the time frame you have requested, there have been over 458,000 records logged and so to review each one would far exceed the 18hr permitted to provide this information.

Therefore, as per **Section 12(1)** of the Freedom of Information Act 2000, the cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of

locating and retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004.

In accordance with the Freedom of Information Act 2000, this letter acts as a Refusal Notice.

GMP is obligated, pursuant to section 16(1) of the Act to provide you with advice and assistance on refining your request to bring compliance within the fees limit. In order for the force to attempt to keep this within the fees limit, the information you are requesting will need revising with a reduced time frame. With any request that requires a manual review there is always a chance of a request being refused under S12 due to the enormity of work that is usually needed to provide the data, therefore the resulting response cannot be guaranteed at this point as it will be dependent upon the number of records that fall within the scope of any new request, as they would still have to be manually assessed.
