Our ref: 01/FOI/26/017691/G

FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/26/017691/G

I write in connection with your request for information dated 19/09/2026, received by Greater Manchester Police (GMP) for the following information:

When searching 'Your Area' on GMP website, it is clear the information provided is considerably out of date .

Some areas in Salford are not available at all, and havent been for some time - citing errors with the website.

Despite reports made re the webpage, the information is not accessible in any means for certain areas.

Therefore, I would like to know on behalf of Salford residents, the names ie PC (name) as is stated on the website already, however with up to date information (as the website should provide anyway), of:
all Salford Neighbourhood officers, broken down into areas they work in, station based from and if possible, the areas those PCs cover (as an officer to contact) if they are assigned to only one area as Andy Burnham suggested they would be in 2021

I link to a previous similar request of this, now outdated, upheld on review and an ICO case cited –

I am basically requesting an upto date version of the outcome given by Joseph in the above link.
