I write in connection with your request for information dated 12/10/2026, received by Greater Manchester Police (GMP) for the following information:

I would like to request information on any suspects recorded with occupations as 'nurses' who were arrested by your force in the last five years, as follows:

1)Please provide the number of nurses arrested on suspicion of offences involving controlled drugs in each of the last five years.

2)Please provide the number of nurses arrested on suspicion of fraud offences in each of the last five years.

3)For individuals recorded as nurses who were arrested in the last five years, please provide a breakdown of investigation outcomes (charge, caution, no further action, community resolution, etc).

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police to locate information relevant to your request.

I can confirm that the information you have requested is not held by Greater Manchester Police.

Unfortunately, the occupation of arrested persons is not a compulsory parameter that is recorded upon arrest by the custody sergeant; therefore, we do not hold the data on occupations of the detainees.
