I write in connection with your request for information dated 12/10/2026, received by Greater Manchester Police (GMP) for the following information:

***Please could you provide crime statistics for the local area of Tameside Manchester for North, South, East and west districts. I would need these covering the 12-month period up to the beginning of Oct (i.e. from 1 Oct of the previous year to 31 Oct of the current year).***

**Result of Searches**
Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Caveats:

**In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.**

This data contains crimes with a created date between 01/10/2025 and 21/10/2026 where the location beat is listed below, excluding cancelled crimes and crimes classified as non-counting fraud. Further information about cancelled crimes can be obtained from the Home Office Counting Rules. Details regarding fraud crime can be obtained by contacting the NFIB.

Due to some low results, low data has been replaced with X as by providing all this information as you have requested would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By replacing the data this way, it can be provided in its entirety.
