FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/26/017615/U

I write in connection with your request for information dated 08/09/2026, received by Greater Manchester Police (GMP) for the following information:

Under the Freedom of Information Act 2000, I request the following aggregated numerical statistics only, with no personal data.

Please provide the information for each requested category separately for each calendar year:

- * 2021
- * 2022
- * 2023
- * 2024
- * 2025
- * 2026 year-to-date, up to the latest available date.

1.
The total number of recorded sexual offences reported by the victim, where the victim was a female UK national and the alleged offender was recorded as a doctor / GP practitioner.

2.
The total number of recorded sexual offences reported by the victim, where the victim was a foreign national female and the alleged offender was recorded as a doctor / GP practitioner.

For each of the two categories above, please provide:

- * *the total number of recorded offences; and*
 - * *the numerical breakdown of the outcomes of those cases, using your existing recorded outcome classification (or the closest equivalent), with the number of cases for each outcome.*
- Please provide the outcome figures separately for each category.*

3. Cancelled offences

Separately, please provide the total number of recorded sexual offences that were not investigated and were subsequently cancelled, where the recorded cancellation reason was: "crime registered in error"

Please provide these figures separately for each year: 2021, 2022, 2023, 2024, 2025 and 2026 year-to-date.

If you do not hold or do not have access to any of the requested information, please state this clearly for the particular category or data field concerned.

Reasonable adjustments

Under the Equality Act 2010, I request that the response be provided in a clear, well-structured and organised format, to facilitate my understanding of the information, as English is not my first language and I experience difficulties accessing information in English.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that the information you have requested is held by GMP. However, I am not obliged to supply you with all the information as an exemption applies.

Section 17 of the Freedom of Information Act 2000 requires Greater Manchester Police, when refusing to provide such information (because this information is exempt) to provide you, the applicant, with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies. Due to the low numbers of offences in each year, the yearly breakdown that you requested is exempt from disclosure by virtue of the following exemption: **Section 40(2) – Personal Information.**

Section 40(2) represents information that identifies a living individual, to disclose this information would breach the principles of the Data Protection Act 2018. Personal data is defined by Section 1 of the Data Protection Act 2018 and means data that relates to an individual who can be identified directly or indirectly from that data.

Section 40 is an absolute exemption and there is no requirement to conduct a public interest test for such data.

We have provided total figures for the timeframe you requested below. These are subject to the following CAVEATS:

The below data is run from a Victims report for period 01/01/2021 to 17/09/2026 (Displayed by Year)- with Gender selected as Female, and MO & Crime description searched using "Doctor" and "GP".

Duplicates are removed where possible.

A manual review of all Modus Operandi has been conducted to remove any that do not match the request.

'Missing Value' or 'Unknown' means that this field hasn't been populated on our operating systems.

There have also been 59 relevant offences where the nationality of the victim is unknown or not recorded.

Further information on cancelled crimes can be found in the [College of Policing's Information Management Authorised Professional Practice](#) and [The Home Office Counting Rules](#).
