After visiting the home of the victim the officers spoke to the victim and identified that nothing was reported missing but rather that the victim did not recognise some of the items in their home as being theirs. After establishing that there were no signs of forced entry, the officers assisted the donor by repairing a cellar door and moved some items that the donor could not move themselves. As the victim was generally of sound mind prior to lockdown, but was now showing signs of confusion, the officers submitted the appropriate referral via a Care Plan.	£1	PC 15914 Taylor PC 17965 Wigley	Name Withheld - Vulnerable Adult	Supt 13822 Dexter
