1.1.12 No third party rights

Nothing in this Contract shall confer, nor is it intended to confer, any enforceable right on any third party under the Contracts (Rights of Third Parties) Act 1999 except as otherwise expressly so stated. 1.1.15 Assignments and subletting

- 1.1.15.1 Neither party shall assign the Contract or any of its rights or obligations thereunder without first having received the written approval of the other party (provided that the Authority may assign the benefit of the Contract to any of its associated or subsidiary companies or to any leasing or financing company of its choice).
- 1.1.15.2 The Contractor shall not sub-Contract the Contract or any part thereof without having first obtained the written permission of the Authority provided that this restriction shall not apply to sub-Contracts for materials or minor details or any part of the work to be performed or materials or equipment to be supplied for which the sub-Contractor is named in the Contract.
- 1.1.15.3 In the procurement documents the Authority may ask the Contractor to indicate in its tender any share of the contract that it may intend to subcontract to third parties and any proposed subcontractors.

The Authority shall require the Contractor to notify the Authority of any changes to the aforesaid information notified or the name, contact details and legal representatives of any new subcontractors which the Contractor subsequently involves in such Works or services during the course of the Contract. The Authority may extend the obligations provided for in this sub-clause to Supply Contracts, Services Contracts, (other than those concerning services to be provided at facilities under the direct oversight of the Authority), or suppliers involved in Works or Services Contracts and any subcontractors of the Contractor's subcontractors or subcontractors further down the subcontracting chain as the case may be.
- 1.1.15.5 The Authority may verify whether there are any grounds for exclusion of subcontractors if it is established that they have been convicted of any offences that would warrant mandatory exclusion from participation in a procurement procedure or any grounds that would warrant discretionary exclusion from participation in a procurement procedure and in such cases the Authority shall require the Contractor to replace a subcontractor in respect of which the verification has shown that there are compulsory grounds for exclusion or may require the Contractor to replace a subcontractor in respect of which the verification has shown that there are non- compulsory grounds for exclusion.
- 1.1.15.6 The Contractor shall be responsible for the acts, defaults and omissions of its sub-Contractors, whether approval has been given to their appointment under this Clause or not, as if they were his own and any consent given under this Clause shall not relieve the Contractor of any of his obligations under the Contract.
- 1.1.15.7 Where the Authority has consented to the placing of subcontracts, copies of each subcontract shall be sent by the Contractor to the Authority immediately they are issued.

1.1.16 Termination

- 1.1.16.1 The Authority reserves the right to terminate this contract by giving the Contractor three (3) months written notice.

terminate the Contract. Alternatively the Authority may at its sole option give such administrator, administrative receiver, liquidator or other person the option of carrying out the Contract subject to its providing a guarantee for the due and faithful performance of the Contract in such form and up to such amount as the Contractor shall decide. In the event of the Contract being terminated under this Clause the Authority shall have the right by prior notice to the Contractor to enter that Contractor's premises for the sole purpose of removing any item, equipment or materials which are its property and which are clearly marked and identified as such. The exercise by the Authority of its rights under this Clause shall not prejudice any of its rights or obligations accrued prior to termination and the provisions referred to in the Clause relating to Termination for Default as continuing obligations shall apply.

- 1.1.16.3 The Authority may terminate the contract by giving notice of termination to the Contractor and addressing consequential matters that will or might arise from the termination where:
- (a) The contract has been subject to a substantial modification where the conditions set out in the Public Contracts Regulations have been met and which would have required a new procurement procedure;
 - (b) It is established that the Contractor has, at the time of the contract award, been convicted of any offence that would warrant mandatory exclusion from a procurement procedure or the person convicted is a member of the administrative, management or supervisory body of the Contractor or has powers of representation, direction or control in the Contractor, and the Contractor should therefore have been excluded from the procurement procedure; or
 - (a) The contract should not have been awarded to the Contractor in view of a serious infringement of the obligations under the Treaties and the Public Contracts Directive that has been declared as such by the Court of Justice of the European Union under Article 258 of the Treaty on the Functioning of the European Union (TFEU).
- 1.1.16.4 Either party may terminate this Contract forthwith by written notice to the other effective from the date of service of such notice if:
- (a) There is a breach by the other party of any provision of the Contract which expressly entitles the party not in breach to terminate the Contract.
 - (b) There is a material or persistent breach by the other party of any other term of the Contract, which is not remediable, or if it is remediable has not been remedied within 30 days of the service of written notice to the defaulting party specifying the breach and requiring it to be remedied.
- 1.1.16.5 The Authority expressly reserves the right to terminate this Contract at any time if the Contractor commits a material Default in the provision of the Goods and/or Services, or the performance of its obligations under this Contract, arising directly or indirectly following the Contractor having undergone a Change of Control by issuing a Termination Notice to the Contractor giving at least thirty (30) Working Days written notice.
- 1.1.16.6 On termination other than for the default of the Contractor, the Authority shall pay to the Contractor the proportion of the Contract Price payable in respect of the materials supplied and/or services performed by the Contractor up to the date of termination together with the costs of the commitments already entered into by the Contractor at the date of termination of the Contract less the amount of any payments already made to the Contractor up to the date of termination. If the amount of payments already made to the Contractor at the date of termination exceeds the sum due to the Contractor under this sub-Clause then the Contractor shall repay the balance due to the Authority. Any such payment shall be in full satisfaction of the Contractor's rights to payment, compensation or damages in respect of the termination or the breach of Contract giving rise to the right of termination.

1.1.16.7 On payment of the sum due under sub-Clause 1.1.16.6 above the Contractor shall transfer to the Authority the benefit of all work done and the property in all materials (including without limitation the Equipment) supplied by the Contractor or his sub-Contractors or sub-suppliers in the performance of the Contract up to the date of termination as far as the rights in the same have already accrued to the Authority under the Contract or will do so on the payment under sub-Clause 1.1.16.6.

1.1.16.8 If the Contract is terminated by reason of the default of the Contractor the Authority shall be entitled to the like benefits and ownership of materials as are stated in sub-Clause 1.1.16.7 above. The Authority shall only pay to the Contractor the proportion of the Contract Price payable in respect of the work done and /or services performed by the Contractor up to the date of termination after deduction of payments already made to the Contractor, the costs reasonably incurred by the Authority in obtaining the completion of the work to be performed under the Contract by others and any damages which may be payable by the Contractor in respect of the termination or the breach of the Contract giving rise to the right to termination. If the amount due to the Contractor is less than the amount which the Authority is entitled to deduct then the Contractor shall pay the balance to the Authority.

1.1.16.9 Following the termination of the Contract neither party shall have any further rights or obligations in relation to the other party other than those stated in this Clause and in the Clauses listed in sub-Clause 1.1.16.10 below which shall continue in full effect. Subject to sub-Clause 1.1.16.7 above termination shall not however affect the rights of action and remedy of the parties which shall have accrued at the date of termination or shall thereafter accrue.

- 1.1.19.1 The Contractor shall indemnify and keep indemnified the Authority, its servants and agents against injury [including death] to any persons or loss of or damage to any property which may arise out of the act, default or negligence of the Contractor, a subcontractor, their employees or agents in consequence of the Contractor's obligations under the contract and against all claims, demands, proceedings, damages, costs, charges and expenses whatsoever in respect thereof or in relation thereto.
- 1.1.19.2 Without thereby limiting their responsibilities under sub-clause 1.1.19.1, the Contractor shall insure with a reputable insurance company against all loss of or damage to property and injury to persons [including death] arising out of or in consequence of its obligations under the contract and against all actions, claims, demands, costs and expenses in respect thereof, including that which is due to the defect of any item supplied under this agreement (fair wear and tear after delivery to the Authority excepted).

1.1.20 Consequential Loss

Save as expressly stated elsewhere in the Contract and except as regards liability for death or personal injury caused by its negligence, neither party shall be liable to the other for consequential loss or damage, loss of revenue, opportunity or contract or goodwill.

1.1.21 Payment

- 1.1.21.1 The Contractor shall be entitled to invoice the Authority at the times and in the manner specified in the Contract. Provided that the invoice was one, which under the Contract the Contractor was entitled to submit, the Authority will consider and verify that invoice within a timely fashion and shall pay the contractor within the period of days specified in the Contract from the date of receipt of invoice, and in any event no later than a period of 30 days from the date on which the relevant invoice is regarded as valid and undisputed, subject to any right of deduction which the Authority may have by way of setoff or abatement. If the Authority does make any deduction it shall notify the Contractor in writing with reasons.
